

Impact Dashboard 2024

Since **1996**, MDIF has invested in **+152** independent media across **+47** countries.

To measure our impact, we ask ourselves:

Is our financing and advisory support making a difference?

Are our clients making a difference in the communities they serve?

MDIF has developed a custom approach to tracking impact that is tailored to our unique mission of supporting the financial independence of media companies. Below are the main highlights from our Impact Dashboard, an annual analysis of our impact results.
